VINAY GOVANDE
President
ESPI
(Enterprise Systems
Partners, Inc.)

Vinay Govande - Mr. Govande has 25 years of progressive experience in supply-chain, information technology, and continuous improvement. He is a certified project management professional and a certified Lean Six Sigma Master Black Belt. He has directed multidisciplinary teams on over 80 different projects to achieve significant results. He has been instrumental in creating transformational and sustainable change in a variety of organizations. Mr. Govande's clients include fortune 500 companies such as Stanley, Tyco, and Alcoa as well as mid-size and small companies such as East Penn Manufacturing, Just Born, B Braun Medical, Transcontinental, Infinera, TrayPak, Custom Processing, etc...

He began his career as a manufacturing engineer at Cummins Engine Company in India. He worked as a project manager at the Enterprise Systems Center at Lehigh University. His expertise includes supply-chain planning and execution, demand management, S&OP, ERP system selection, implementation, and optimization, as well as lean six-sigma manufacturing, business process analysis, factory design, plant layout and design and implementation of information systems. Mr. Govande has assisted several clients in the re-engineering of their business processes through implementation of supply chain and ERP systems, such as Oracle, JDA, SAP, Epicor, Visual Manufacturing, SyteLine, Macola, PowerCerv, and PrintStream.
