JEFF KANTERMAN

Vice President Transportation
Management

NFI

Jeff Kanterman joined NFI, a leading end-to-end supply chain solutions provider, in 2014 as Vice President of Transportation Management. Utilizing more than 14 years of industry experience, Jeff is responsible for the division which provides BPO services (business process outsourcing) through engineering, people, process, and systems. He also supports network engineering, analytics, and freight bill auditing.

Jeff is a graduate of the University of Kansas with a bachelor's degree in Communications.
