

CSCRL SPRING SYMPOSIUM

SURVIVING AND THRIVING IN A COVID-19 ECONOMY

APRIL 9, 2021

SPEAKER BIO

DAVID LANKEWICZ

SENIOR DIRECTOR PURCHASING, INVENTORY, AND LOGISTICS
LUTRON ELECTRONICS INC.

David has been working in the supply chain, high tech manufacturing, and engineering profession for 35 years. For the last 21 years, he has been running supply chain organizations in large organizations such as Lucent and Saft Total. Currently he is responsible for global supply chain for Lutron Electronics including purchasing, logistics, warehousing, and distribution. Lutron is a technology-centered and people-driven private company that designs, manufactures, and sell products ranging from individual dimmers to total light management systems. Our products help to keep people safe and comfortable in their own homes and at work. David has Electrical Engineering degree from Auburn University.
