**Principal at Deloitte, Leader of Global Generics and OTC Practice
Member of the Martindale Center Advisory Committee
Martindale Student Associates Program 1986-87 (Canada)**

Faith Glazier is the Generics Leader within the Life Sciences practice at Deloitte Consulting LLP. In her role, Faith leads the market development activities concerning all aspects of Deloitte's cross-functional service offerings within the generics industry. Faith also currently serves as Lead Client Service Partner for Harvard University and leads Deloitte's recruitment program with the university.

With over 20 years of experience, Faith's practice focuses on providing strategy and operations consulting services with an emphasis on helping pharmaceutical and biotechnology companies develop growth strategies including those around the biosimilars space. She has worked with several of the firm's most important clients in leadership roles including oversight and quality assurance positions, monitoring overall project and service delivery.

Before her work with Deloitte, Faith was head of the Stamford, CT office at Archstone Consulting and lead work for pharmaceutical, biotech, medical device and diagnostics companies. She was also a consultant with Peterson & Co., P.C.

Faith received her B.S. in Business and Economics in 1987 and her MBA from Harvard Business School in 1991.
