Upcoming Event

2022 Annual Spring Symposium
Utilizing Technology for Competitive Advantage in the Supply Chain

April 21-22, 2022

We will open with an in-person cocktail reception on April 21 from 6:00 - 8:00 p.m. followed by a full-day program on April 22 from 8:00 a.m. - 4:00 p.m. Networking and education will feature prominently throughout the day with plenty of chances for interaction and take-aways that can be immediately implemented at your company.

Lehigh Business Supply Chain Risk Management Index

In the latest report, Transportation Disruption Risk is expected to increase substantially for the upcoming 2nd Quarter 2022 and is the number one concern for supply chain professionals. Interestingly with a score of 89.5, Transportation Disruption Risk has the highest risk index across all risk categories since the creation of the LRMI. There seems to be greater worries about fuel prices, driver shortage, infrastructure and demand volatility.

Hoarding is a bad idea during times of supply-chain uncertainty by Phil Coles

Hay was in short supply, so we stocked up at high prices. It was a costly mistake—and still is.
