SPEAKER BIO

ERIC COSNOSKI

EXPERIENCED MANAGER, FINANCE TRANSFORMATION, GRANT THORNTON LLP

Eric Cosnoski provides mid-cap and private firms with tools to facilitate business strategy and uncover insights for corporate decision-making. Marrying theory and practice, he introduces solutions that are out of the box but appropriate for the client's unique business needs. He excels at digesting complex problems, getting to the root of change agents, and creating solutions that are both practical and impactful while achieving buy-in from key stakeholders. A guiding principle that drives his work is to focus on elements that create incremental changes which, together, drive breakthrough innovation.
