KATY VENIS

Group Director
Customer Logistics,
Transportation
Management

Ryder Supply Chain
Solutions

Katy Venis has worked at Ryder Supply Chain Services for 17 years. She currently serves as group director customer logistics at Ryder. In this role, she has overall responsibility for customized supply chain solutions for 25 customer accounts with an emphasis on end-to-end transportation network management.

Katy is a member of the Council of Supply Chain Management Professionals (CSCMP) and a certified Project Management Professional (PMP).

She received her bachelor's degree in international business and marketing from Marquette University and a master's degree in marketing and production operations management, with a concentration in logistics, from the University of Georgia.

Katy and her husband have 2 adult children, a daughter in Nashville working in the Music Business industry and a son in his second year at Auburn University majoring in Supply Chain Management. Based in the Atlanta area, she enjoys traveling and spending time at the lake and the beach with her friends and family.
