

ADVISORY COUNCIL MEMBER

Center for Supply Chain Research at Lehigh

GARY CHAO

Department Chair and
Associate Professor,
Business Administration

Kutztown University

Dr. Gary Chao is an associate professor in the Department of Business Administration at Kutztown University. Before joining Kutztown in 2007, Dr. Chao earned his doctorate degree in Industrial Engineering and Management Science from Northwestern University. He also received an MBA from Vanderbilt University and a Master of Chemical Engineering from National Tsinghua University in Taiwan.

Dr. Chao has built up the programs of supply chain management and business analytics while at Kutztown. He devotes his efforts to bringing experiential learning projects/opportunities to students to foster future stars for companies. As Department Chair, he oversees the MBA program, 9 business undergraduate majors and 4 minors in the College of Business, and is committed to enhancing students' awareness of sustainability and business innovation.

Dr. Chao is actively engaged in local business organizations/events. He is a board member of both the Lehigh Valley chapter of the Council of Supply Chain Management Professionals (CSCMP) and the Center for Supply Chain Research at Lehigh University. His research focuses on supply chain management and performance evaluation. His papers have been published in *Management Science*, *Queueing Systems*, *European Journal of Operational Research*, *International Journal of Operations Research and Information Systems*, *Journal of Education for Business* and *Global Economy Journal*.
