TALENT AND TECHNOLOGY - THINKING OUT OF THE BOX
NOVEMBER 2-3, 2023

SPEAKER BIO

DAVE BROERING

PRESIDENT OF INTEGRATED LOGISTICS SOLUTIONS, NFI INDUSTRIES

Dave Broering has over two decades of experience within the non-asset based logistics space. Through that time, he has developed an expertise in creating fast-growing and efficient operations focused on customer service and execution. As President of Integrated Logistics Solutions, Dave leads the Brokerage, Intermodal, Global Freight Forwarding, and 4PL services at NFI, one of the largest privately held 3PL's in the US. By combining his upbringing at both American Backhaulers and CH Robinson with his blend of technological focus and operational execution, Dave's Non-Asset division continues to be one of the fastest growing divisions within NFI.
