

CSCRL SPRING SYMPOSIUM

RETHINKING YOUR SUPPLY CHAIN – PREPARING FOR THE FUTURE
APRIL 11-12, 2024

SPEAKER BIO

JOHN VECCHI

CHIEF MARKETING OFFICER, PHOSPHORUS CYBERSECURITY

As Chief Marketing Officer at Phosphorus Cybersecurity, John Vecchi has achieved more than 25 years of experience in high-tech security marketing, strategy, product marketing, product management, and consulting. A serial CMO and security visionary, he has helped build and lead some of the biggest brands in enterprise security, including Solera Networks, Blue Coat Systems, Check Point Software, McAfee, Zscaler, Anitian, ColorTokens, and Anonymome Labs.

Throughout his career, John has been featured at events and conferences worldwide, built an award-winning security podcast titled "Security on Cloud," and written as a featured columnist at SECURITYWEEK, writing about advanced threats and big data security.
