

MBA Advisory Council

Luu Tran
Senior Director - Treasury,
Lutron

Luu Tran is the Senior Director - Treasury for Lutron Electronics Co., Inc., a premier global manufacturer of lighting, shade, and temperature controls and smart bulbs for residential and commercial applications. Luu oversees the Company's asset investment strategy, global treasury management, and banking relationships. In addition, she manages Board and Shareholder Relations.

Prior to her current role, Luu held various financial roles in her 14-years with the company including with the Retail and Commercial business units and with the global operations and supply chain teams. Her accomplishments include building the global accounting function, laying the foundation and improvements for Lutron's Internal Audit function, and developing and implementing Lutron's global investment policy. She also serves as a committee member on the Lutron Foundation and on Lutron's Investment Advisory Council.

Luu earned a B.S. degree in Finance and Marketing with a minor in International Relations from Lehigh University. She also received her MBA degree in Supply Chain Management from Lehigh University.
