INNOVATING FOR THE FUTURE: THE ROLE OF TECHNOLOGY IN THE
SUPPLY CHAIN

NOVEMBER 7-8, 2024

ABSTRACT

AI-POWERED PROBLEM SOLVING: QUICK INSIGHTS FOR LEADERS

MICHAEL RIVERA

ASSISTANT PROFESSOR OF BUSINESS INFORMATION SYSTEMS

LEHIGH UNIVERSITY

This session is designed for leaders and managers to explore the transformative impact of AI on problem-solving. Participants will learn how to integrate AI tools and frameworks into business processes, cultivating strategies for AI-driven solutions within their organizations.
