CSCRL FALL FORUM

INNOVATING FOR THE FUTURE: THE ROLE OF TECHNOLOGY IN THE SUPPLY CHAIN

NOVEMBER 7-8, 2024

SPEAKER BIO

MARK OSTROWSKI

HEAD OF ENGINEERING, OFFICE OF THE CTO,
CHECK POINT SOFTWARE TECHNOLOGIES LTD.

Mark Ostrowski is the Head of Engineering for the East region of US at Check Point Software Technologies. Mark has over 25 years' experience in IT security and has helped design and support some of the largest security environments in the country.

As an evangelist and member of the Office of the CTO at Check Point Software, Mark provides thought leadership for the IT security industry, outlining the current threat landscape and helping organizations understand how they can proactively mitigate and manage risk in our world of digital transformation.

Mark actively contributes to national and local media discussing cybersecurity and its effects in business and at home on media outlets such as the Today Show on NBC, Good Morning America on ABC, and the Wall Street Journal.
