

CSCRL SPRING SYMPOSIUM

DOING MORE WITH LESS

APRIL 3-4, 2025

SPEAKER BIO

SAIF MIR

ASSISTANT PROFESSOR, DECISION AND TECHNOLOGY ANALYTICS,
LEHIGH UNIVERSITY

Saif Mir received his Ph.D. in supply chain and master of business administration degree from the University of Arkansas. Before joining the academic world, he worked as a merchant mariner on oil tankers. His research interests are in the domain of behavioral supply chain management examining factors contributing to sustainability and developing buyer-supplier relationships.
